Makenna Campbell	Teller Supervisor / Compliance
Sandra Alvarez	Teller
Denise Knapp	Teller
Stephanie Day	Teller

2018 Annual Meeting Minutes

Texas Health Credit Union's 62nd Annual Meeting was called to order at 6:30 p.m. on March 27, 2018 at the Lamar Senior Activities Center. T. J. Nissen, chairman, noted that a quorum existed.

A motion to accept the minutes from 2017 was made by Charles Murphy and seconded by Beverly Larkin.

The Board of Directors was introduced. Everyone sang Happy Birthday to board member, Dale Dingley, in honor of his 75th birthday. Since there were no contested races and no nominations were made from the floor, it was moved to accept the nominations by acclamation. The motion was made by Pat Streetman and seconded by Charles Murphy.

President, Tammy Botkin, introduced the staff members and noted that the average tenure of the staff was 15.06 years (excluding Diana Chavez, employee of 2 days). Tammy took the members down memory lane by reviewing the Credit Union's history. THCU opened with 10 charter members in 1956 and was manned by volunteers on Monday, Wednesday, & Friday at lunch. The maximum available loan was \$400.00 or a month's salary, whichever was less. The second year the Credit Union offered vehicle loans at 75% of the value. The Credit Union's assets were \$7 million in 1980, \$14 million in 1993 and are currently \$84 million.

A new service being introduced at the Credit Union this past year is the Debit Card App called My Mobile Money. In the near future, THCU will offer Apple Pay, Google Pay, & Samsung pay.

Tammy revealed that out of the 5,815 credit unions that exist today, it is predicted that in 20 years there will be less than half of those still open because of the high costs to provide services. Tammy reviewed the credit union's mission statement & reiterated that THCU's still holds true today.

T.J. asked if there was any unfinished business or any new business, there was none. A motion to adjourn the meeting was made by Mark Fowler. After the business meeting, Steve Scott conducted a drawing for door prizes.

Mr. Nissen asked if there was further business. Seeing none, the meeting was adjourned at 7:24.

President's Report

I'm encouraged to state that credit unions across the country are doing extremely well. Texas has 461 credit unions with more than 8.8 million members and total current assets of \$79 billion. These figures reflect a robust and healthy credit union system, of which Texas Health Credit Union (THCU) is a part.

Since the credit union's founders opened for business in 1956, we've grown from 197 charter members to 5,531, and our assets have grown from \$11,787 to \$87,221,548. We are very proud of how far we've come in 62 years. I know our many accomplishments would not have been possible without the ongoing energy, optimism, commitment, and wholehearted belief that our people and members have in our principles and philosophies as a cooperative, not-for-profit entity.

I'd like to recognize our committed directors for their responsible stewardship of our principles, philosophy, and mission; our outstanding leaders for their insightful strategic planning and organization; our dedicated employees for embracing our values and goals and for delivering best-in-class service; and our loyal members who appreciate the many ways their credit union is a partner in their financial wealth. Because of the work we've all done together, this credit union is thriving.

I'm very pleased to announce that again this year THCU is a well-capitalized financial institution, with a strong net worth ratio of 11.18 percent. To put that in perspective, a net worth position above 7 percent is considered well capitalized by our regulators. Harold Antao & Company, LLC conducted their annual audit as of September 30, 2018, with no significant findings. We continue to operate in a safe and sound manner to ensure our continued success and the ability to serve our members in the future.

In 2018, we were able to offer several new product features. Our debit cards are now chip-enabled in an effort to reduce fraud losses. Cardholders may now use Apple Pay, Goggle Pay or Samsung Pay with their debit card and smart phone. Online banking users have remote deposit capabilities and may now enroll in Credit Sense. Credit Sense will give the member their credit score as well as credit monitoring and information to improve the credit score. In August, we upgraded our website to make it more user-friendly and relevant.

As we move into 2019, my commitment to you today is that Texas Health Credit Union will continue to grow responsibly while listening and responding to your needs. We will explore innovative product and service solutions to enhance your financial life, and we'll develop our staff and board so they can confidently and wisely serve your interests.

Our member-owners are integral to our credit union family, and we are sincerely grateful that you've chosen us as your financial partner. We look forward enthusiastically to a great year.

Tammy Botkin
President
