Address and Phone Number Changes

Please make sure we have your current address as well as your current home and cell numbers on file. With identity theft and card fraud on the rise, we are finding that many of our members have account information that is no longer current. Consequently, we are unable to notify them of problems with their accounts.

Member Referral

Refer a new member to THCU and we will give you both \$10. Just have them tell us that you referred them when they open their account. It's that easy.
