

Holiday Cash Crunch?

Take charge of this year's holiday budget by *making yourself a loan*. Skip your December THCU loan payment by simply completing an application and returning it to a credit union loan officer.

We'll do the rest!

Protect Yourself from Identity Theft

We are continuing to see a large number of identity theft issues with our members and wanted to remind everyone to remain vigilant.

- Don't open e-mails or any links or attachments that you aren't expecting to receive.
- Calls from the IRS, major banks or retailers requesting personal information are fake.
- Don't click on links in unknown text messages.
- Back up your data and use good antivirus software.
- Update your software and security patches on your computers and phones.
